**THE JOY OF YOUTH MINISTRY:** One can derive a great deal of joy and peace when we devote time to the very important work of the Lord through passing on our faith to the youth in our Catholic community. Joy in seeing our youth grow and flourish in their love of God through Faith Formation instruction. The youth are the hope of our faith. They will bring the Word of the Lord into the future and ensure the survival of the Church. We must provide for our youth an excellent foundation on which they can continue to build new faith communities and begin again to work toward a world of peace. Parents are the first teachers of the faith, but the Church can provide support and assistance in that critical task. Through Faith Formation for grades 1-6, Youth Ministries such as Confirmation Class for middle and high school students, we as members of the St. Thomas faith community can assist in forming a strong foundation for our youth, by volunteering in our youth education programs. There are many ways you can help provide a sound formation for our youth. The need is great at St. Thomas to provide volunteers to work with our youth and be role models to show our youth what is meant by being "Christ like". Let us not forget our adult converts in our RCIA program. They too need volunteers to help them in their journey of discernment. Please contact Paul Hardin at 206-242-8150 if you have questions.
