Anointing of the Sick

When we are sick and not feeling well, our faith can often be challenged.

I remember beginning to feel tremendous despair once after having undergone emergency exploratory surgery in college for what ended up to be a bad case of food poisoning.

I felt so incredibly helpless and anxious to think that I had just had an unnecessary operation and that I was getting behind in my classes. I was surprised one day when our parish priest came in and offered to anoint me. I, like many Catholics, thought this Sacrament was for when you were preparing to meet your maker, so I hesitated and stated that I was going to get well and I wasn't dying. The priest laughed and said he wasn't the "grim reaper" and that he simply wanted to pray for healing and for my faith to be strengthened. I certainly couldn't say no to this offer. I felt much better after the anointing.

The Sacrament of the Sick is meant to help us through serious illness and from the effects of advanced age. It is a powerful sign and reminder that we are never alone and that God is most especially close to us in our suffering and offers us healing.

On each first Friday of the month, we celebrate this Sacrament with an Anointing of the Sick Mass in the church at 9AM. Please feel free to join us if you are ill and in need of healing.

If you know of any parishioner who cannot make it to Mass and who would like to receive this Sacrament, please call me at the parish office so that I can schedule an appointment to go and visit with them and anoint them.

God has provided for our every need and wishes to strengthen and comfort us especially in times of trouble. The Sacrament of the Anointing of the Sick is another powerful reminder that nothing can separate us from the love of God in Christ Jesus (cf. Romans 8:39).

In Christ,
